Provider Enrollment Process

Texas Medicaid Healthcare Partnership (TMHP)	Health and Human Services Program Area	Health and Human Services Office of Inspector General (OIG)

Application received from provider. Reviewed for accuracy, completeness, and determination of risk category.

↓

Waiver requested or HHS Program Area review Required?

— **Yes** → **Reviews supporting documentation, determines approval, and returns application to TMHP for further processing.**

No

↓

Risk Category?

├─ **Limited**

└─ **Moderate/High** → **Site Visit Conducted**

Requires OIG Review? — **Yes** → **Completes required screening, makes an enrollment recommendation, and returns the application to TMHP for processing. (10 business days)**

No
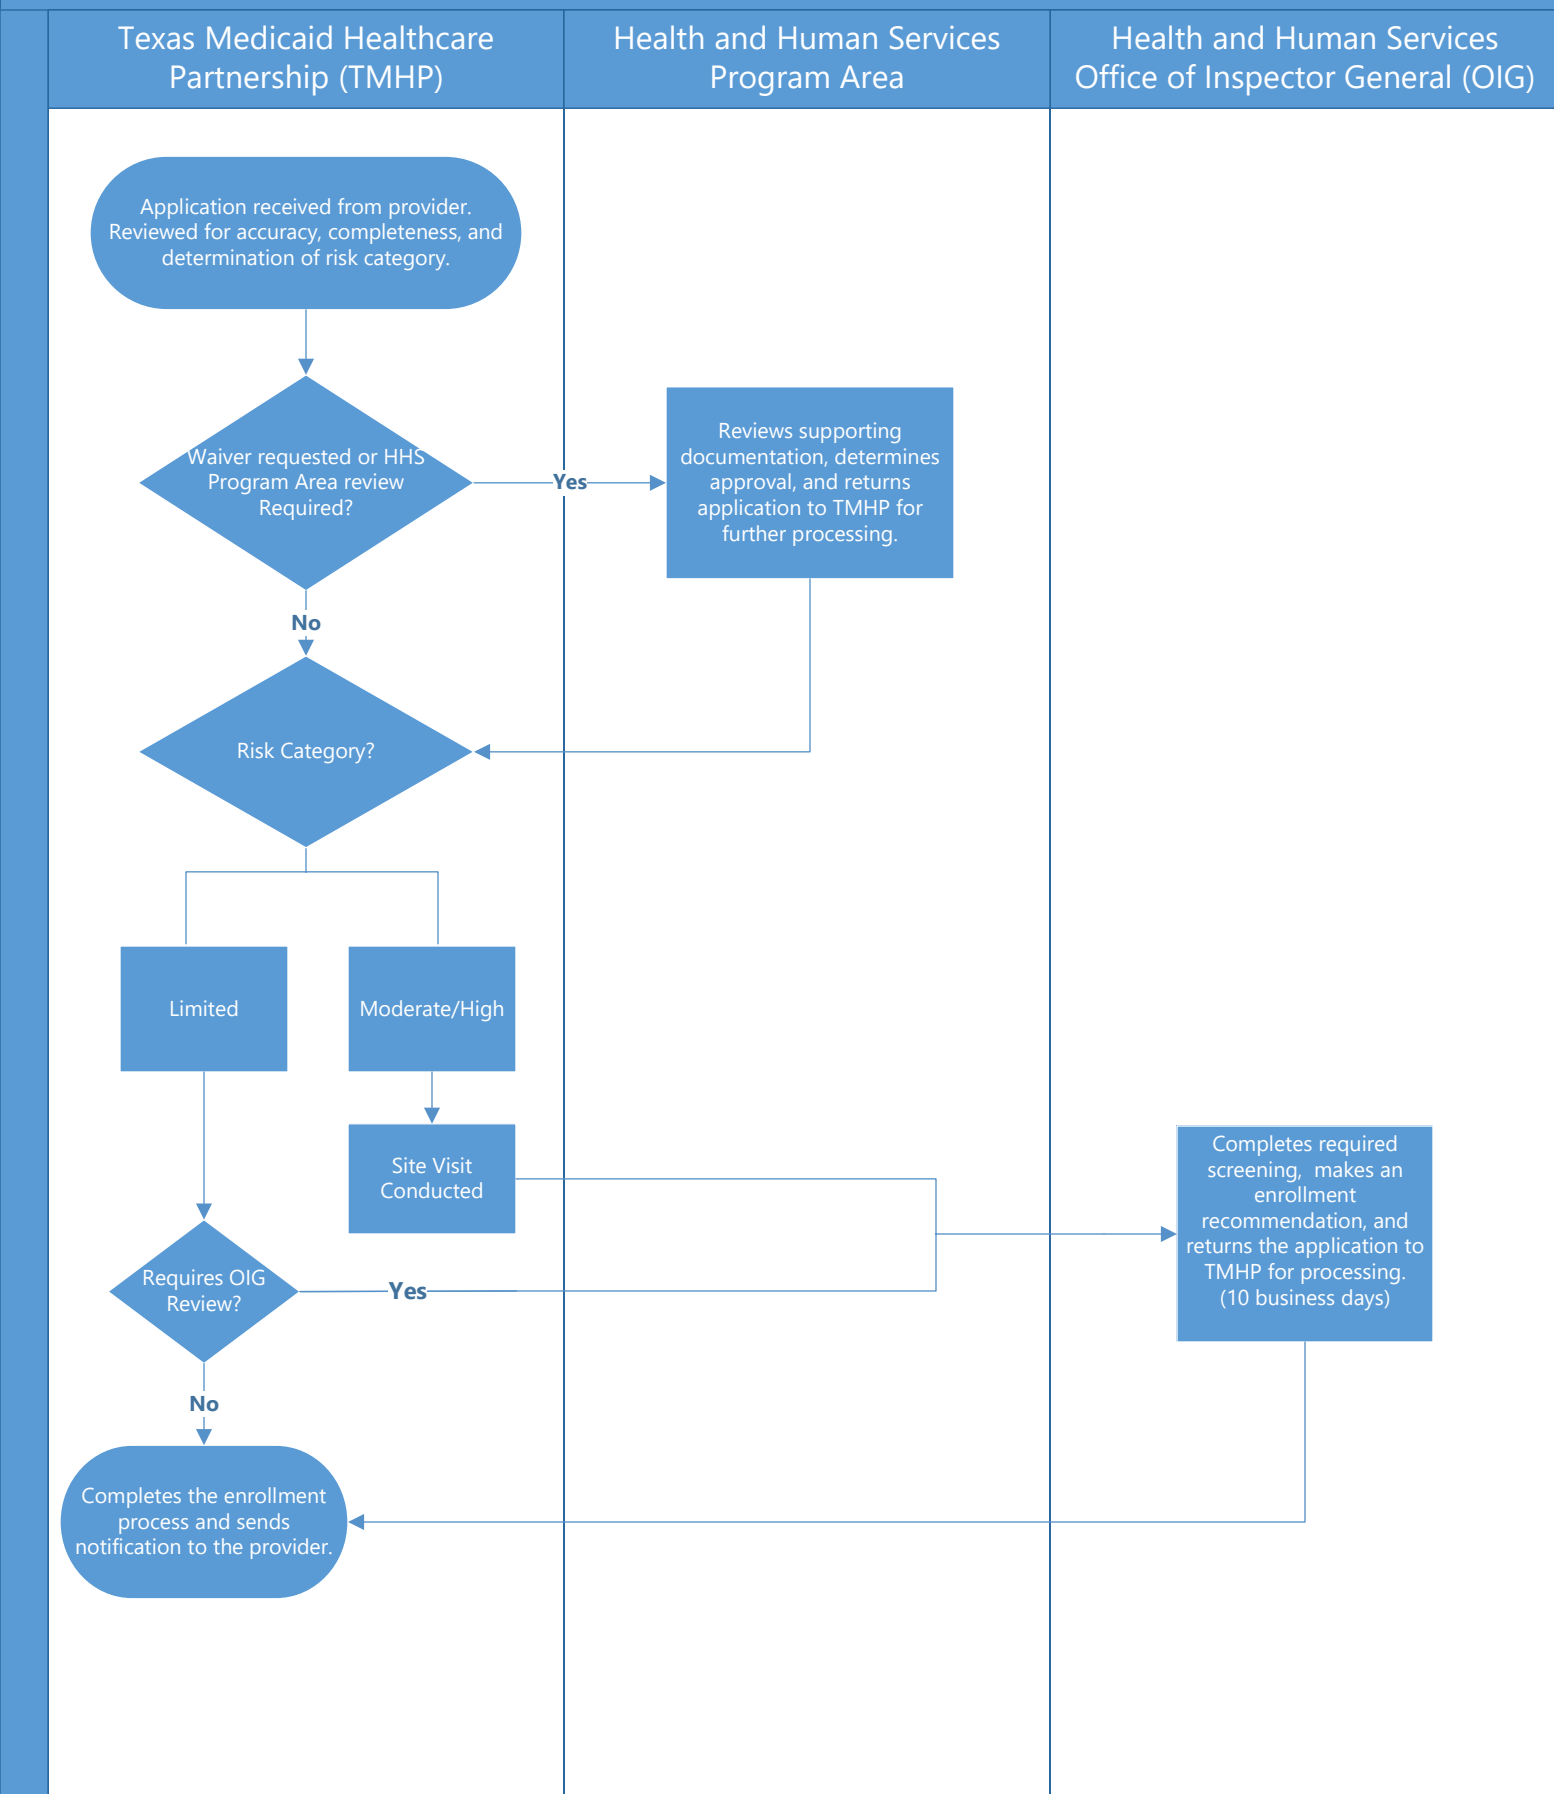

↓

Completes the enrollment process and sends notification to the provider.

Note: This workflow represents the high-level, ideal path in the provider enrollment process. Application deficiencies, such as incorrect or incomplete information, necessitate additional actions and will result in a longer enrollment process.
