

CONSOLIDATED ANNUAL REPORT REQUIRED BY SENATE BILL 30 75TH TEXAS LEGISLATURE

September 29, 2023

DATA MATCHING EFFORTS WITH INFORMATION FROM NEIGHBORING STATES AND THE TEXAS DEPARTMENT OF CRIMINAL JUSTICE

STATUTORY PROVISION

Texas Government Code, Section 531.108 requires the Texas Health and Human Services Office of Inspector General (OIG) to submit an annual report to the Governor and the Legislative Budget Board regarding the computerized data matching of agency information from neighboring states and information from the Texas Department of Criminal Justice (TDCJ).

BACKGROUND

Under this provision, the OIG identifies individuals receiving benefits in another state and identifies incarcerated individuals illegally receiving public assistance benefits.

ACCOMPLISHMENTS

Since August 2010, the OIG has participated in the Public Assistance Reporting Information System (PARIS) interstate compact on behalf of Texas. The PARIS interstate match cross-checks Social Security numbers of active Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) program, and Medicaid clients as sent by State Public Assistance Agencies (SPAA) for a predetermined month within the match quarter. If matched, PARIS sends the matched records back to the respective SPAA for review and investigation. Although once-a-year participation is mandatory for Medicaid, the data provided to the program is at the discretion of each SPAA. Texas participates for each match quarter. In Texas, the PARIS Interstate match meets the legislative requirement for the OIG to match with border-states to identify duplicate benefits.

From September 1, 2022, through August 31, 2023, the agency identified and established overpayment claims for \$453,026 in benefits that had been simultaneously received by individuals in both Texas and another state and in which it was determined that the benefits obtained in Texas should not have been received. During this time, the agency also identified and established overpayment claims for \$1,744,649 in benefits received by individuals who were ineligible because of incarceration.
