Division of Medical Services**

March 12, 2018

Nursing Facility MDS 3.0 Reviews

TEXAS
Health and Human
Services

- The Utilization Review Unit is performing reviews of MDS 3.0 assessments from the FY 2018 Work Plan.
- The FY 2018 sample period is from 3/1/2016 through 2/28/2017 and contains managed care and fee-for-service claims.

Nursing Facility MDS 3.0 Reviews

FY 18 Work Plan is to review approximately 500 nursing facilities, which includes 20 nursing facilities from the FY 17 Work Plan that are associated with the NFUR Pilot 2 – Nursing Facility Review for Managed Care Residents with Hospital Admissions:-
